Section I. Introductions, Scope of Work, and Deliverables

I.1. Introduction

Conservation International Foundation. (hereinafter referred to as "Conservation International"), is issuing a Call for Proposal for Consulting Services, ProDoc & PIF, for GEF project. The successful offeror will be registered in CI’s preferred vendor list (PVL) and will be contacted as needed. The successful offeror(s) shall be required to adhere to the code of ethics, statement of work, and the terms and conditions of the contract. This RFP does not obligate CI to execute a contract nor does it commit CI to pay any costs incurred in the preparation and submission of the proposals. Furthermore, CI reserves the right to reject any and all offers, if such action is considered to be in the best interest of CI.

I.2. Scope of Work

The consultant will lead the development of the PIF, Child Projects or Expressions of Interest or ProDoc and the GEF endorsement template for the GEF project. The consultant will work in coordination with the CI-GEF teams and the Executing Agencies to deliver either a PIF, Child Projects or Expressions of Interest or a ProDoc/CEO endorsement template.

PIF, Child Projects or Expressions of Interest: Working with the Executing Agencies and all stakeholders, deliver a completed PIF in line with GEF Focal Area requirements.

ProDoc/CEO endorsement:

Drawing on the approved PIF and incorporating input from the Executing Agency(ies), government and all stakeholders, the consultant will be responsible for preparing the ProDoc and all related Annexes, including a complete Results Framework, Environmental and Social Safeguard screening and resulting safeguard plans, responses to the GEF Scientific and Technical Advisory Panel (STAP), GEF Council Members. The consultant will also be responsible for preparing the GEF CEO endorsement template and completing the relevant GEF focal area(s) tracking tool(s). The consultant shall work with Operational and Finance Staff, providing inputs to activities to develop a comprehensive and accurate budget for project implementation.

I.3. Key Tasks

The consultant will undertake the following tasks
PIF/ Child Project/ Expressions of Interest:

- Study documentation, and use any other existing sources of data and other useful materials in to prepare a Results Framework;
- Review all documentation provided by the Executing Agencies and stakeholders. This documentation will be the background information to complete the PIF template;
- Deliver 1st draft of the PIF, including all annexes;
- Incorporate all comments, including budget information from the Executing Agencies and the CI-GEF Agency;
- Support resubmission of the 1-step MSP by incorporating feedback from the GEF Program Manager;
- Write and finalize Project Identification Form (PIF), Child Projects and Expressions of Interest.

ProDoc:

- Undertake a review of relevant literature and documents, e.g. national development plans, NBSAPs, NAPs, NAPAs, baseline studies, current/previous GEF projects, terminal evaluations, technical studies/reports.
- Consult with key stakeholders to solicit their input into the development of the ProDoc. These consultations can take place via telephone, electronic conferencing, or in person workshops and/or interviews, and should at minimum, involve the Executing Agencies, government, and stakeholders identified in the PIF.
- Informed by the literature review and stakeholder consultations, prepare a ProDoc for a GEF project based upon the approved PIF and project framework. The consultant will also be responsible for preparing the CEO approval/endorsement document and all the annexes that are needed for the ProDoc.
- Obtain information form key stakeholders as input for budget development and work with the Executing Agency finance lead to make sure the budget is aligned with the project strategy and results framework.
- Revise and finalize the ProDoc and CEO approval/endorsement document and all related annexes to address comments from the CI-GEF Project Agency, Executing Agency(ies) and key stakeholders.

ETHICS STANDARDS

Conservation International’s reputation derives from our commitment to our core values: Integrity, Respect, Courage, Optimism, and Passion and Teamwork. CI’s Code of Ethics (the “Code”) provides guidance to CI employees, service providers, experts, interns, and volunteers in living CI’s core values, and outlines minimum standards for ethical conduct which all parties must adhere to.

Any violations of the Code of Ethics should be reported to CI via its Ethics Hotline at www.ci.ethicspoint.com.

CI relies on the personal integrity, good judgment and common sense of all third parties acting on behalf, or providing services to the organization, to deal with issues not expressly addressed by the Code or as noted below.

Integrity:
- Act in good faith, responsibly, with due care, competence and diligence and maintain the highest professional standards at all times.
- Comply with all contractual terms as well as all applicable laws, rules and regulations, domestic and international, in every country where Services are carried out.
- Provide true representation of all Services performed.
- Never engage in any of the following acts: falsification of business document or receipts, theft, embezzlement, diversion of funds, bribery, or fraud.

Transparency:
- Avoid conflicts of interest and not allow independent judgment to be compromised.
- Not accept gifts or favors from sub-contractors, suppliers or other 3rd parties that would negatively impact the provision of Services to CI.

Accountability:
- Disclose to CI, at the earliest opportunity, any information you have or become aware of, that may result in a real or perceived conflict of interest or impropriety.
- Implement activities, provide Services, and manage staff and operations in a professionally sound manner, with knowledge and wisdom with the goal of a successful outcome per the terms of this Agreement.

Confidentiality:
- Not disclose confidential or sensitive information obtained during the course of your work with CI.
- Protect confidential relationships between CI and other 3rd parties.

Mutual Respect and Collaboration:

Engage with indigenous peoples and local communities in which CI works in a positive and constructive manner that respects the culture, laws, and practices of those communities, with due regard for the right of free, prior and informed consent.
