Conservation International’s reputation derives from our commitment to our values: Integrity, Respect, Courage, Optimism, Passion and Teamwork. CI’s Code of Ethics (the “Code”) provides guidance to CI employees, service providers, experts, interns, and volunteers in living CI’s core values, and outlines minimum standards for ethical conduct which all parties must adhere to.

Offerors are required to sign a representation of Transparency, Integrity, Environmental and Social Responsibility.

10. Intellectual Property

[CHOOSE BETWEEN THE FOLLOWING TWO OPTIONS – NOTE THAT THE FIRST OPTION
IS RECOMMENDED]

[CI OWNERSHIP – NO LICENSE TO SERVICE PROVIDER] All work product created, prepared,
procured, generated or produced by Service Provider under this Agreement and delivered to CI
including, but not limited to, raw or processed data, articles, reports, drawings, computer data
bases, and all other memoranda (collectively, “Works”), shall belong solely and exclusively to CI.
All Works shall be deemed “works made for hire” within the meaning of U.S. copyright law, and CI
shall be deemed the author of the Works. If for any reason, any Work is not deemed a “work
made for hire,” or all rights in and to any Work are deemed not to vest in CI, Service Provider
hereby irrevocably assigns and transfers any rights it may retain in and to the Works to CI and
waives all its rights, title and interest in and to the Works, including moral rights. Upon CI’s
request and at its expense, Service Provider agrees to cooperate with and assist CI in perfecting
its rights in and to the Works, including executing appropriate documents.

CI will have the sole right to copyright the Works, except that Service Provider grants to CI a
nonexclusive, irrevocable royalty-free license to reproduce, translate, publish, use and dispose of,
and to authorize others to so do, all copyrighted or copyrightable material not first produced or
prepared by Service Provider in the performance of this Agreement, but which is incorporated in
the Works, provided that such license shall be only to the extent that the Service Provider now
has, or prior to completion of the Agreement may acquire, the right to grant such license without
becoming liable to pay compensation to others solely because of such grant. To the extent that
the Works contain any material to which Service Provider does not have the right to grant such
license, Service Provider will assume responsibility for obtaining all necessary rights for use,
reproduction, translation, publication and disposition of that material by CI.

OR

[CI OWNERSHIP – LICENSE TO SERVICE PROVIDER TO USE] All work product created,
prepared, procured, generated or produced by Service Provider under this Agreement and
delivered to CI including, but not limited to, raw or processed data, articles, reports, drawings,
computer data bases, and all other memoranda (collectively, “Works”), shall belong solely and
exclusively to CI. CI hereby grants to Service Provider a nonexclusive, revocable, royalty-free
license to reproduce, translate, publish and use, and to authorize others to so do, all
copyrightable Works first produced or prepared under this Agreement by Service Provider;
provided, however, that Service Provider understands and agrees that this license does not
include the right to first publication of any Works, which right shall belong solely to CI.

CI will have the sole right to copyright such Works, except that Service Provider grants to CI a
nonexclusive, irrevocable royalty-free license to reproduce, translate, publish, use and dispose of,
and to authorize others to so do, all copyrighted or copyrightable material not first produced or
prepared by Service Provider in the performance of this Agreement, but which is incorporated in the Works, provided that such license shall be only to the extent that the Service Provider now has, or prior to completion of the Agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant. To the extent that the Works contain any material to which Service Provider does not have the right to grant such license, Service Provider will assume responsibility for obtaining all necessary rights for use, reproduction, translation, publication and disposition of that material by CI.

This section stays in regardless of the option chosen above. Service Provider agrees not to make any use of the logo or the name of CI or the GEF, except as expressly authorized in writing. Any approved use of the GCF logo shall be in accordance with the GEF Branding Guide (available at https://www.thegef.org/sites/default/files/documents/GEFBrand_Guidelines_EXT~_0.pdf)

11. CI-GEF Environment Social Management Framework (ESMF)

a. In accordance with CI’s GEF/GCF ESMF (available at https://www.conervation.org/docs/default-source/gef-documents/ci-gef-environmental-and-social-management-framework-(esmf)-version-06), the Service Provider hereby represents that in carrying out the Services it will not source natural resource commodities that contribute to significant conversion or degradation of Natural Habitats (as defined in the ESMF). The Service Provider further agrees to cooperate with CI and to provide all information reasonably requested to support the implementation and monitoring of the ESMF to the extent that the provision of Services/Deliverables triggers any environmental and social safeguards described in the ESMF. Service Provider hereby expressly binds itself to include language substantially reflecting the terms of this provision in all sub-contracts issued under this Agreement.

12. Security and Safety. Service Provider agrees that s/he has read, understands and shall comply with any applicable security regulations provided by CI, and acknowledges that Service Provider shall be solely responsible for Service Provider’s own safety and physical property or equipment during the performance of this Agreement.
